Human Capital Consulting Partners Signs Sun Light & Power

Philadelphia, PA, December 17, 2009—[Human Capital Consulting Partners](http://www.hccpartners.com), a leader in developing best-in-class people processes, today announced the first client signed by its West Coast office, led by Marty Jordan, Western Regional Director. Under terms of the contract, Human Capital Consulting Partners will assist Sun Light & Power, a certified green company with more than 30 years of leadership in alternative energy systems and innovative designs for homes and businesses, in improving conflict management and time management skills of its project managers and engineers.

Three Neshaminy Interplex
Suite 301
Trevose, PA 19053
Office: 215-244-8110
Fax: 215-245-4705

"Companies that work in the solar energy industry like Sun Light & Power will continue to have a positive impact on preserving and protecting the world's vital resources," said Jim Geier, President of Human Capital Consulting Partners. "We are excited about assisting Sun Light & Power in continuing to build its operational skills and competencies to take the company to new levels of success."

About Human Capital Consulting Partners
