Human Capital Consulting Partners Adds Cardionet to Customer Roster

Philadelphia, Pa., May 27, 2008—[Human Capital Consulting Partners](http://www.hccpartners.com), a leader in developing best-in-class people processes, today announced it has signed a new client, [Cardionet](http://www.cardionet.com), the world's leading supplier of mobile cardiac outpatient telemetry. Human Capital Consulting Partners will serve as Cardionet's interim Vice President of Human Resources to lead the HR functions and process.

"Rapidly growing biosciences companies can greatly benefit from our breadth and depth of human resources leadership experience," said Jim Geier, President of Human Capital Consulting Partners. "We will guide Cardionet and its leadership team through human resources processes that position the company for further growth and success."

About Human Capital Consulting Partners

Human Capital Consulting Partners helps companies grow by providing people processes that align with short- and long-term business goals. Acting as a trusted advisor to management, Human Capital Consulting Partners designs, develops, and implements practical and results-oriented processes that drive business success. For more information, see www.hccpartners.com or call 251-244-8110.

About Cardionet

CardioNet is the leading provider of ambulatory, continuous, real-time outpatient management solutions for monitoring relevant and timely clinical information regarding an individual's health. CardioNet's initial efforts are focused on the diagnosis and monitoring of cardiac arrhythmias, or heart rhythm disorders, with a solution that it markets as the CardioNet System.
