Human Capital Consulting Partners Signs ZLB Behring

Philadelphia, Pa., December 18, 2006—[Human Capital Consulting Partners](#) today announced a new human capital consulting client, [ZLB Behring](#), a global leader in the plasma protein biotherapeutics industry. Human Capital Consulting Partners will assist ZLB Behring in an assimilation program for the U.S. Commercial Operations Leadership Team.

"Like so many companies that continue to want to build on their business success through successfully integrating new products, new processes, new customers, new patients, and new employees, the U.S. Commercial Operations Leadership Team of ZLB Behring has the challenge—and the opportunity—to meld a new strong and strategic leadership team of talented executives," said Jim Geier, President of Human Capital Consulting Partners. "I welcome this opportunity to help ZLB Behring and its U.S. Commercial Leadership Team work through the process of continuing to build the right culture and the right leadership style to take the company to new levels of success."

About Human Capital Consulting Partners

Human Capital Consulting Partners helps companies grow by aligning their human capital strategy with their business strategy. The firm advises companies how to attract, develop, engage, and reward their people to attain operating success. The company acts as a trusted advisor to management, utilizing its global and board-level corporate experience to achieve big-picture impact through cultural change. Human Capital Consulting Partners analyzes business strategy, issues, and organizational dynamics and implements hands-on, practical, and results-oriented human capital strategies that drive business success. For more information, see www.hccpartners.com or call 251-244-8110.
